

CASE REPORT PROGRAM

PUBLICATION PROCESS

6. PROMOTION

Your case report will be used for training and education of both surgeons and sales representatives.

5. PUBLICATION

Once the case report is complete it will be published to the Field Orthopaedics website under the Case Reports section.

4. FINAL REVIEW

With your feedback incorporated, we will send you an updated copy for your final approval.

1. NOTIFY US

When you come across a case of interest, let us know either directly or via your local representative.

E: marketing@fieldorthopaedics.com

2. PROVIDE CASE INFORMATION

- Patient age, gender, occupation and handedness.
- Pre-op, intra-op, post-op and follow up notes and imaging.
- Any additional photos you may wish to use to demonstrate outcomes.

3. REVIEW DRAFT

With the information you provide, our marketing team will draft the case report for your review.

Any additional follow-up information can be added at this stage.
